

Gardener

An excellent opportunity has become available for a Kitchen Gardener to manage, maintain and oversee the edible gardens of the private Wynyard Hall estate, which supplies the onsite plot to plate restaurant, The Glass House as well as the Farm Shop, with fresh produce daily, on a full time and permanent basis.

The successful candidate will need to provide quality, edible produce to meet the needs of the estate food vision whilst maintaining a visually appealing public garden and visitor attraction, whilst taking on a range of normal garden duties and enhancing areas of the garden.

Flexibility is key due to the nature of the role.

Candidates must have a high level of plant and crop rotation knowledge and good craft gardening skills such as cultivation, planting, weeding, maintenance and harvesting of seasonal crops.

The successful candidate will be proactive in their approach as well as hands on in the role with excellent communication skills to liaise with various members of staff such as Chefs and management.

The role is for an immediate start.

Why work for us?
